I, the undersigned, understand that the Yacht Club at West Point and the United States Military Academy at West Point are not responsible for any damage that might occur to vessels, trailers, or vehicles which are kept in the area used by the Yacht Club members including moorings. The club cannot allow any boats or trailers without current registration and insurance coverage to moor or park in the club area. **Applicants must submit proof of current REGISTRATION and INSURANCE for both boat and trailer with this application.** No mooring or parking areas will be assigned without the above documents. Mail completed application to the address below to arrive by or bring them to **the March membership meeting.** To be eligible to vote for club officers, applications and fees must be accepted **NLT the April membership meeting.** **To avoid being dropped from the roles, the absolute deadline for COMPLETE applications and fees is the May membership meeting.**

Yacht Club at West Point

Members Quick Reference Guide

1. **Governance:** This quick reference guide is designed to hi-lite policies and procedures that all members should be familiar with. The WPYC Constitution and By-laws are the governing documents for the Club and will supersede this guide if inconsistencies exist.
2. **Application Deadlines:** Membership applications and dues payment must be received by the club NLT the March membership meeting in order to retain your tenure for the mooring/parking assignment each year. The membership application, available on the web, details the current dues and fees. If you know you are leaving the club, please let us know. Parking and mooring assignments are currently being made by the Rear Commodore.
3. **Meetings:** General membership meetings are usually held on the first Wednesday of the month at the call of the Commodore. Announcements are made by E-mail and are posted on the club web site. Times and locations do vary. New members must present themselves at a monthly meeting or at a scheduled workday.
4. **Work Hours:** Workdays are held monthly on the third Saturday of the month unless otherwise rescheduled by the Commodore. Notifications will be made at the monthly meetings and by E-mail and the web. Members are expected to contribute their time and talent to the operation of the club to the extent noted in the annual application form. Members not able to fulfill their work hour requirements due to scheduling constraints may earn hours at other times with the approval of an elected officer of the club. Individuals are responsible for keeping track of their own hours. See All-in-One application on the web for current requirements and rates payable if you don't put in all of your work hours.
5. **Membership Roster:** The official membership roster is created from applications submitted each year. New members are added to the web site and provided an ID and password to access members-only information through the web site. All members must log in and complete their online profile as changes occur throughout the year. This contact information is *very important* for contacting you if your vessel is in distress.
6. **Insurance:** The club cannot allow any boats or trailers without current registration and insurance coverage to moor or park in the club area. *Applicants must submit proof of current REGISTRATION and INSURANCE for both boat and trailer with this application* (copies are acceptable). This is an annual requirement. No mooring or parking areas will be assigned without the above documents.
7. **Important Events:** For planning purposes, a typical year has a Flag Raising Ceremony on the water in June, an End-of-Season Picnic, and a Holiday Party in December. Moorings are made up in March and dropped in April-May. They are pulled in October- November.
